# DENISON UNIVERSITY

A CHRISTIAN COLLEGE  
OF LIBERAL ARTS

WE SHALL KNOW THE TRUTH AND  
THE TRUTH SHALL MAKE YOU FREE

The academy whose participants are "immured from the outer world" deserve the cruellest epithet in the jargon of the late sixties: irrelevance. If we "stop the world" during our years here, it must be for the purpose of "getting on."

## SLAYTER UNION

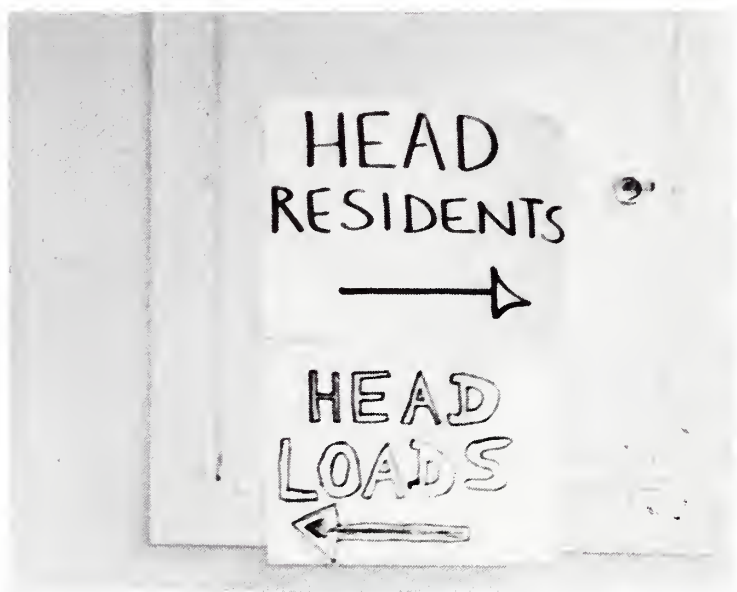

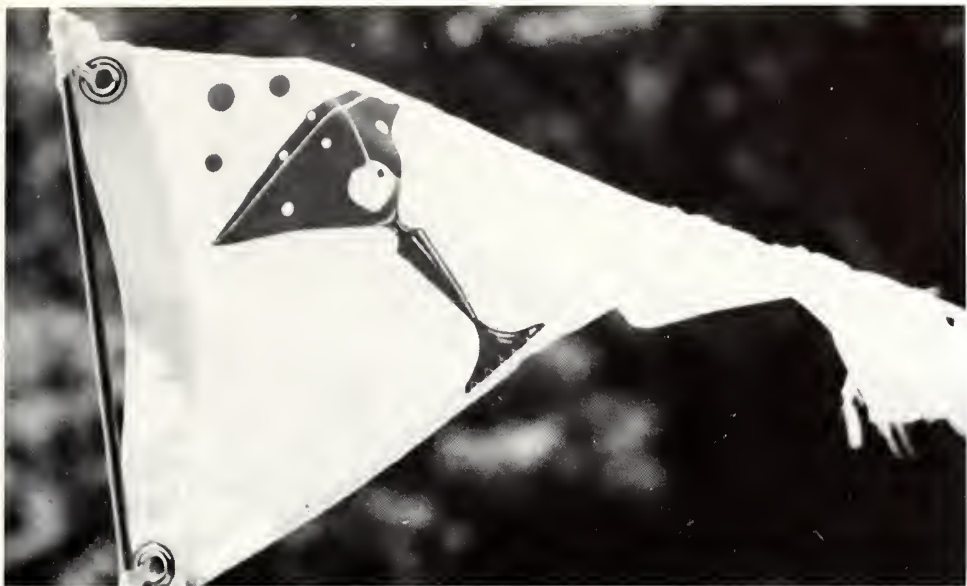

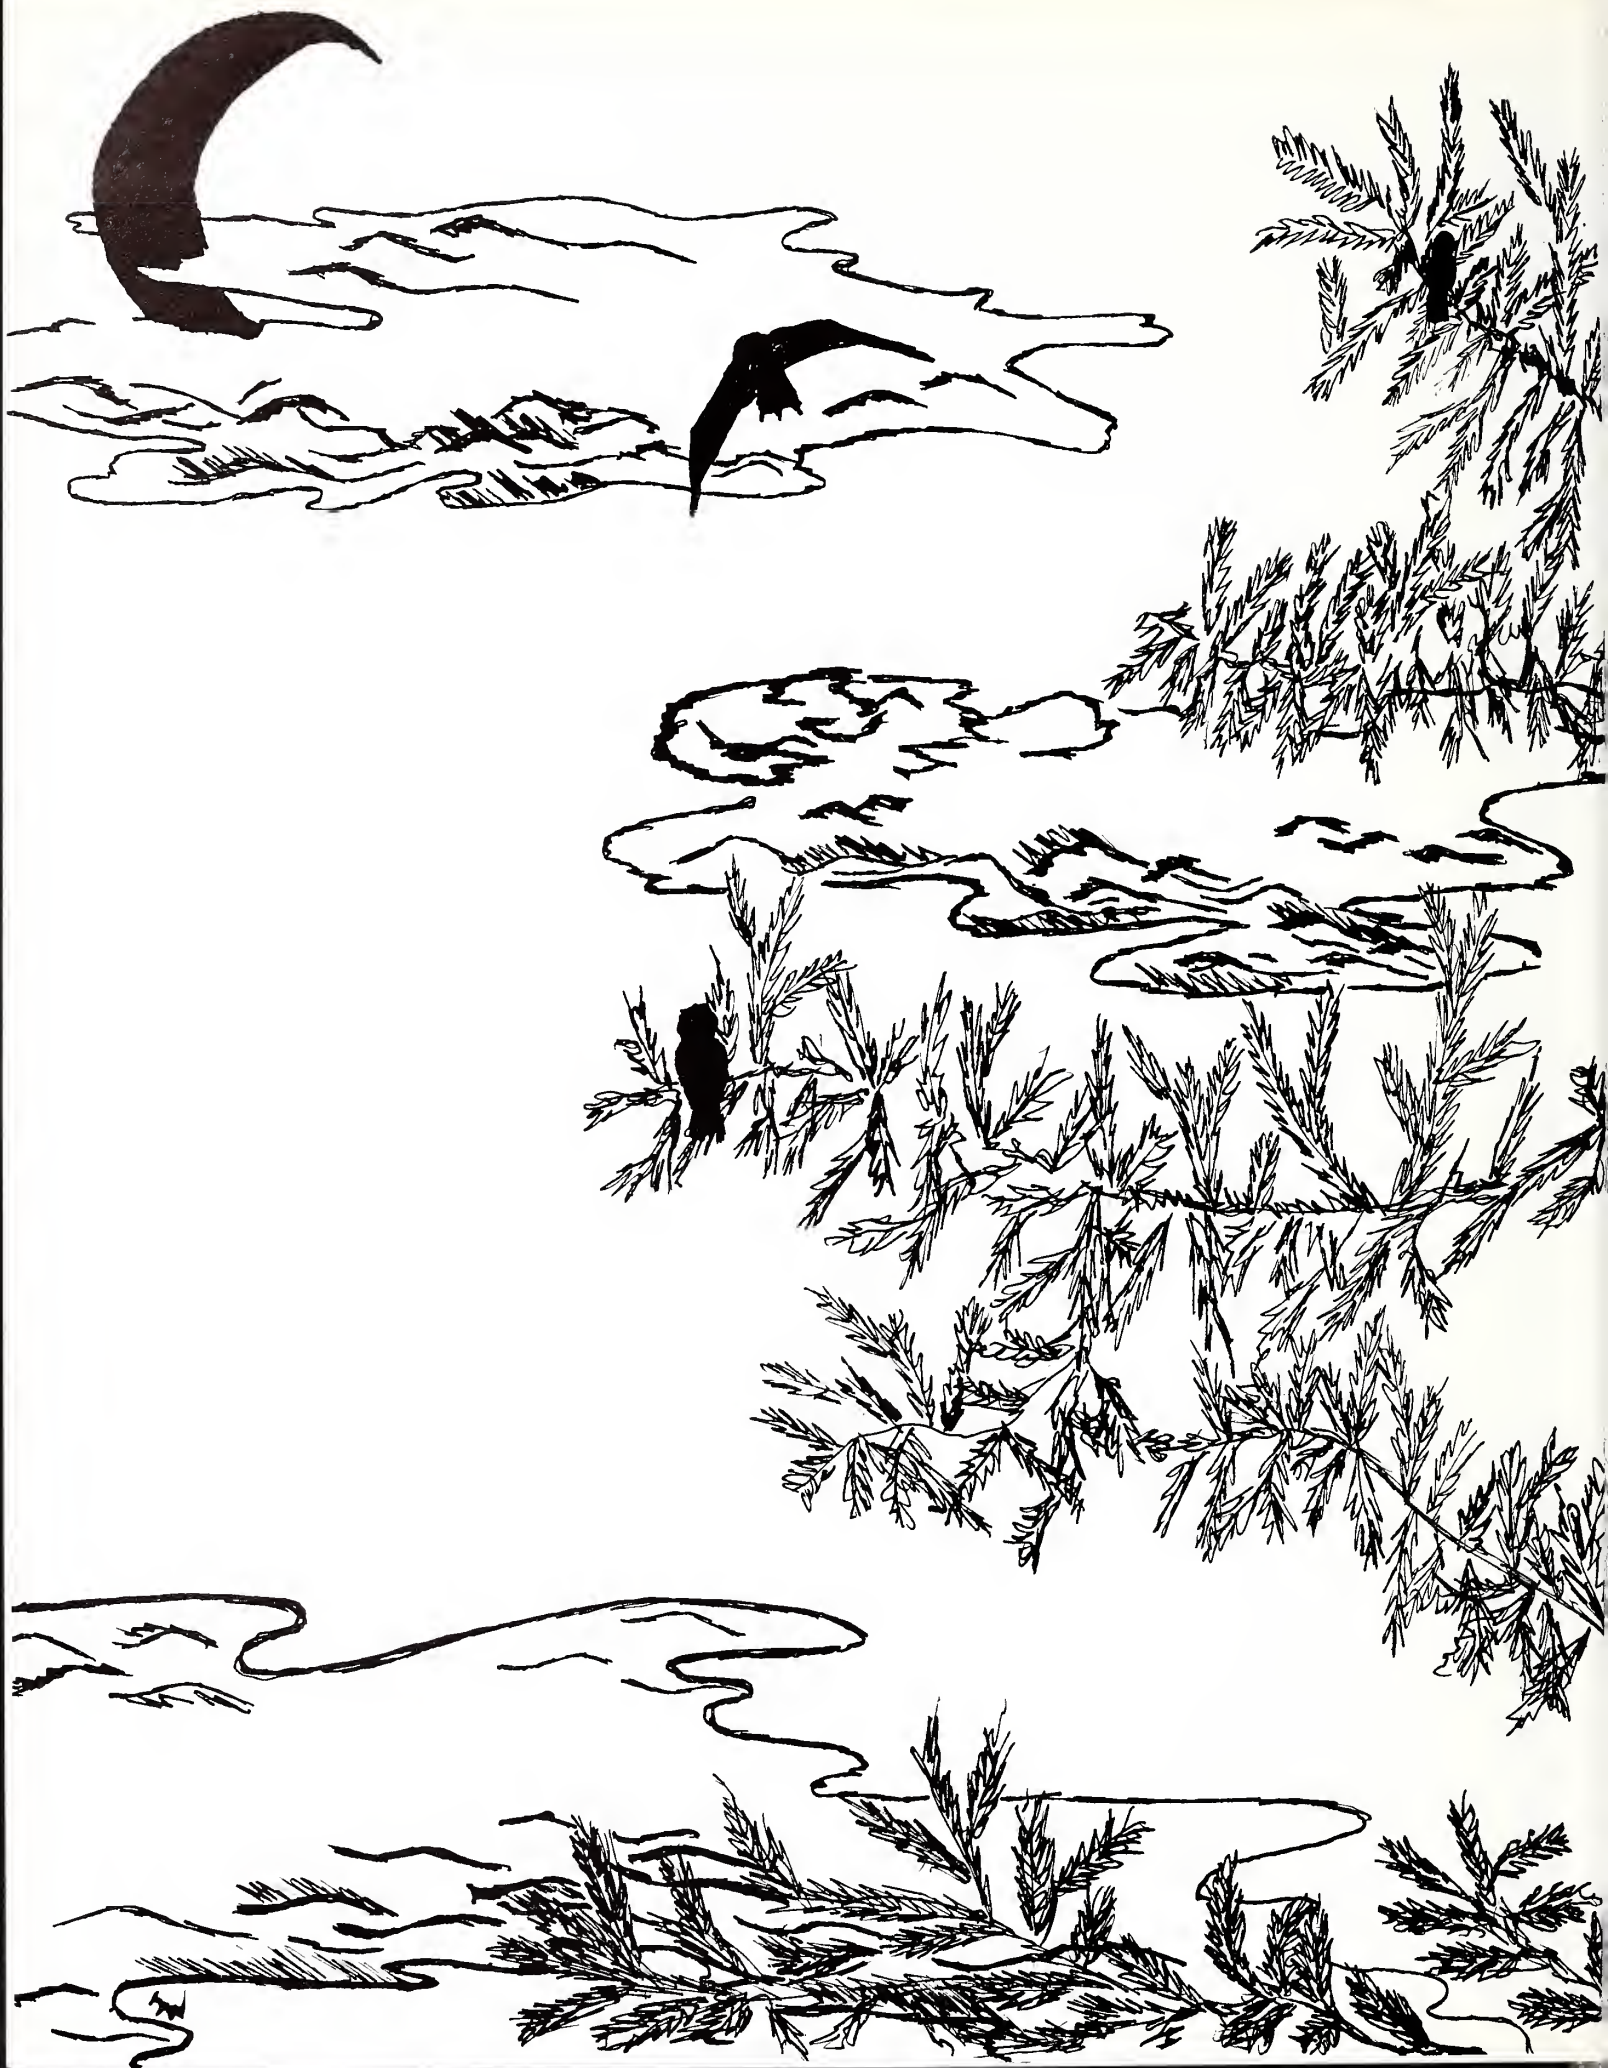

PARTY!

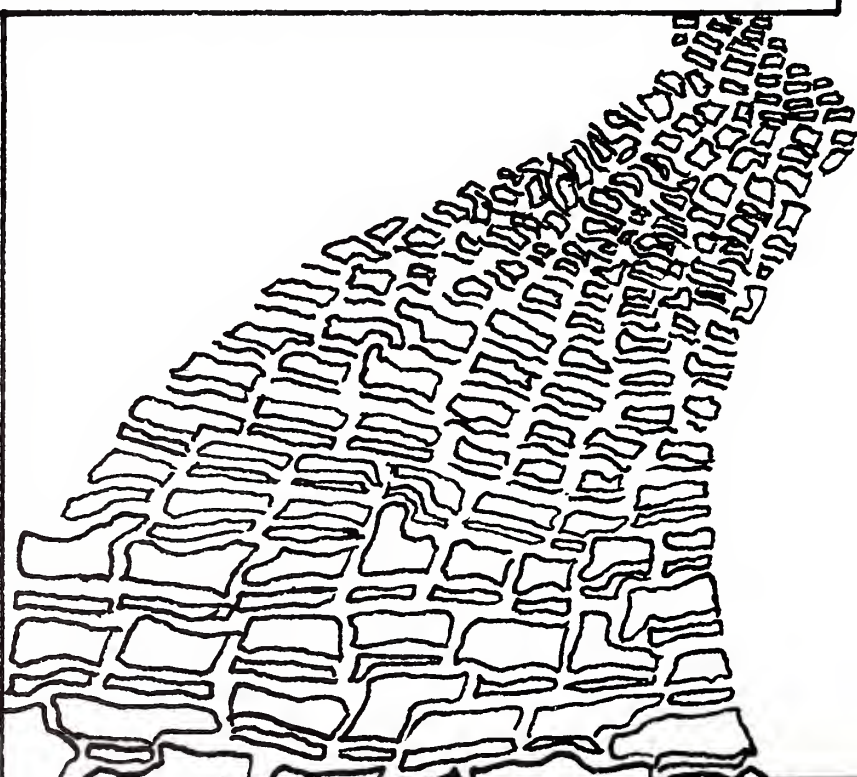

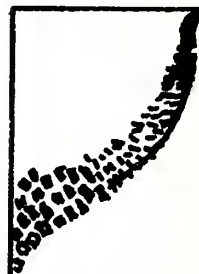

On moonlit mad mornings  
When Son and sun lie dazed  
In cirrus beds,  
Where dreams float  
And dance and rise  
But later lost and stratified,

A nightingale mourns that day  
Perched high in ev'ry tamarack  
And blows its cryptic  
Climax of ends and philosophies;  
Apocalypse said he,  
Knew the winged ones  
And knew of the wind carried  
Contagion song  
Infesting all who ever dream  
On moonlit mad mornings  
But cannot Friday foresee.

Sons infected first  
When lofty nebulous thoughts  
Of purple and silver  
And that end of spectrum  
Are brown, black,  
Ash and ashes burnt.

Suns infected next when  
Nova high and  
Nova came to its  
Satellite green with  
Tamarack trees.  
Lonely suns pining its  
Ash of ash past.

But Son and sun lie  
These mad moonlit mornings  
When winds whisper cryptic  
Nightingales' song,  
Ash upon ash,  
Wednesday today.  
And Friday is  
Always  
Two more away.

A tear of snow  
clean-white  
it falls  
melts, fuses  
blackened by boughs  
dripping  
it runs through the ruts  
gathering dust  
along a cobbled road  
to new beginnings.

THE EDUCATORS

It's time to begin again.  
Put the playing and funning aside  
Better settle down.  
No more lazy days,  
And party-filled nights.  
It's time for serious business:  
Work to be done,  
Lessons to be learned,  
All kinds of people along the way  
To help you make it through.  
Maybe it is  
The right time for a new beginning.

# RESIDENCE HALLS

After packing  
the last plant  
into the backseat,  
One more look  
at what I've left  
(what rooms remember)  
Tape and putty  
cling  
like last year's leaves  
to bare walls;  
Forgotten drinks  
cut milky crescents  
in dark wood,  
patterns on desk top;  
Carpet, stained  
drunk with night,  
corners dusty with laughter,  
leaves and soil  
of fallen plants;  
Pillows remember laughter,  
spring's romance;  
Hangers wait, clustered  
like hungry birds.  
The room waits.  
I close the door, tear away my name.  
There will be new rooms,  
a year and years  
of bare spaces  
to fill  
to change  
and claim  
echoes and the items of a list.

# THE CREATIVE

I am a poet  
With words and  
Emotions  
Flowing through my body.  
And when in need of a cleansing  
I let them wash out on paper  
The bile I can no longer hold within me.  
My words are tumultuous,  
Lashing out at the world around,  
And me.  
They burble and rush,  
Around and against the rocks,  
The pebbles that seem as mountains to me.  
Rarely do they ever move slowly,  
Or placidly.  
Having eroded my heart  
Words and emotions pour out,  
And with this deluge  
The mountains are eroded to pebbles  
Once again.

It was a disappointing year for the Denison Big Red Football Team. There were, however, many fine qualities which they hope to combine for the future. Throughout the season there were outstanding performances by individuals who consistently played excellently. Offensive tackle Bill McKeever, defensive tackle Mark Janasek, and punter-place kicker Jim Piper represented Denison's Football squad on the All Ohio Conference first team, while defensive tackle Jim McCarthy and tight-end Ken Sklenicka received Honorable Mention. McKeever also played for the East team in the Ohio Shrine Bowl game at Riverfront Stadium in Cincinnati. With many fine lettermen returning, Denison should look forward to a drastically improved team next year and in the future.

## SOCCER

Coach Ted Barclay surpassed the 100 victory mark as Denison's Soccer team surged in late season and finished with a fine 8-4-1 mark. Wide open play and hustle were the determining factor in their successful season. With a few breaks in their close losses, their record easily could have improved. Leading scorer Dagem Dejene was named the team's most valuable player, while Don Miller and Don Molten were honored as the Big Red's most improved players. The 1977 squad will be led by capatians Andy Gamble and Brian McCreary and could prove to be one of the most successful teams ever.

# WOMEN'S SWIMMING

The women's swimming team continued their winning ways again this year as they compiled a respectable 5-2 season mark. The two defeats were a heartbreaking way to finish an otherwise flawless year. The women exhibited talent and great dedication in their successful season. With the majority of the team returning, Denison should again be well represented by a fine women's swimming team.

## FIELD HOCKEY

Denison fielded two of the best hockey teams in its history this year. With five seniors on the team, Denison not only had strength, speed, and great skill, but also maturity.

Jean Palmer from Radnor, PA. was the captain of the team. She was the leader on the field and was responsible for goal after goal by passing to her teammates. She seldom scored goals herself.

The high scorer for the team was Emily Barrett, a senior, with 9 goals. Second was Beth Willis with 7, and Pat Quinn was third with 6. Denison scored 40 goals to the opponent's 10. It was a great season for a talented group of women.

# BASKETBALL

John Ridall, the hard-working 6-1 guard from Dayton, Ohio, was chosen Most Valuable Player on this season's hard-luck Big Red Basketball Team. Ridall averaged 12 points and five rebounds per game and he also led Denison in field goal accuracy (49.2%) and in assists (five per game).

Four players had averages in double figures for Denison this year, topped by Todd Harris (18.2 ppg) who ended his four year Big Red career as the school's third leading scorer of all time with 1,359 points. Gil Spencer averaged 13 points per game, and center Kevin Kurgis 12. Harris and Spencer won Honorable Mention on the All-Ohio Conference team.

The Big Red suffered 11 of their losses by margins of seven points or less and played five overtime games during the season, but lost four of them.

The team's Most Improved Player award went to 6-4 Sophomore James Robinson of Brooklyn, New York. Harris won the team's rebounding trophy, while Kurgis was the team's best free throw shooter.

In a difficult season, Denison's track squad was never able to release their stored potential. There were, nevertheless, several individual accomplishments which made the season worthwhile. Sophomore Jerry Brown received the Most Valuable Player award. Brown scored 103 points over the season while participating in events from the 100 yard dash to the long jump. Most Dedicated Player was Bill McKeever, co-captain and shot putter, who gained 51 points during the season. Freshman Jim Jones proved himself by breaking the Denison high jump record. With a majority of the lettermen returning next year, we are looking forward to a highly improved season.

## MEN'S SWIMMING

Numerous outstanding achievements marked Denison's most successful swimming season in several years. Eleven new varsity records were set and five new pool records were established. Three conference champions and two All-Americans were chosen from the ranks of the team.

A third place finish in the OAC Championships was highlighted by victories in the 200 yard backstroke and 3 meter diving by Steve Nye and in the 200 yard backstroke by Jim Bolster. Other finalists included Steve Kamin, runner-up in the breaststroke; Jeff Stark in the 200, 500 and 1650 yard free style; and Jay Jennie in the 100 yard backstroke.

Strong relay finishes included the record setting medley relay team of Mark Lundquist, Steve Kamin, Jim Bolster, and Jay Jennie; the runner-up 400 yard relay team of Jim Bolster, Jeff Woods, Bill Jones, and Jay Jennie; and the 800 yard relay team of Jeff Stark, Jeff Woods, Jim Bolster, and Steve Nye.

# WOMEN'S BASKETBALL

The women's basketball team had a successful season with nine wins in twelve games. The Big Red's three losses were to Kent State, Capital University and the College of Wooster and were lost by a total of only four points. The team is young with a bright future. This year's team had only one senior starter, Teresa Webb. Returning starters will be senior Sue Pudvan, and juniors Sheila Noonan, Peggy Bardes and Colleen Grady. The Big Red's Women's Basketball Team is looking forward to a successful season next year.

## WOMEN'S BOWLING

Denison tied with Ohio State for second place in the Central Ohio Intercollegiate Bowling League this year. Six schools comprise this league: Capital, Denison, Ohio State, Ohio Wesleyan, Otterbein and Wittenberg. The champion school receives a traveling trophy. Last year Denison was the winner and hoped to recapture the trophy this year. Actually, until the last round of the league, Denison and Ohio State were in close contention for the championship, but in the last round Otterbein came forth to defeat both Denison's and Ohio State's hopes for victory. Last match averages for Denison's team were impressive: Betsy Sloan bowled 172; Mary Ann Kennett, 161; Alice Klatt, 159; Debbie Waters, 152. The highest game bowled in the entire Tournament was by Denisonian Jean Schumacher with a game score of 230.

Denison's league record was 4-1. Our bowlers beat OSU, Capital, Otterbein, and Wittenberg while losing only to Ohio Wesleyan.

## BASEBALL

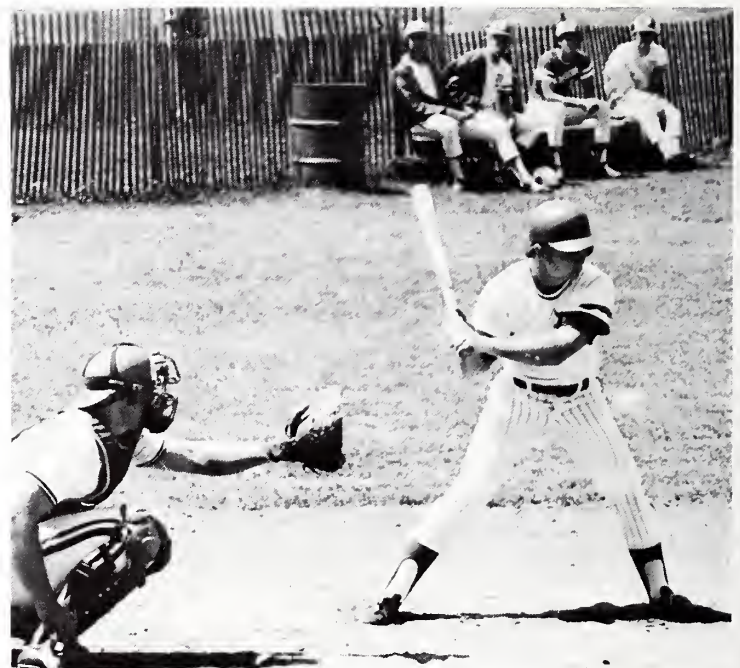

The Denison University baseball team finished off one of its finest seasons in many years by defeating Muskingum College 4-3, thus ending the year with an improved 12-15-1 record. The highlights of the year included the Florida Spring trip, the exciting Parent's Weekend game with Ohio Wesleyan, a 14 inning marathon triumph over Otterbein, the first Annual Bat-a-thon and senior right-hander Steve Patsfall closing out his career by being named OAC Player of the Week. Although seniors Scott Simcox, Ken Sklenicka, and Steve Patsfall will be sorely missed, 16 lettermen will be returning, and if the Big Red can continue into the '78 season in the same fashion with which it ended the '77 season, things could be looking up.

## LACROSSE

The 1977 Lacrosse team had an excellent 10-4 season. The team's success was due largely to the tremendous senior leadership and dedication of each player. Team members improved week by week and returned respectability and enthusiasm to Denison Lacrosse. Outstanding efforts at the end of the season resulted in wins over Ohio State and Bowling Green. In their final game of the year, they battled Ohio Wesleyan down to the wire before losing the Mid-West Championship.

On a beautiful Parents' Day, an estimated crowd of 2500 fans saw the Big Red play a nearly perfect game as they upset a highly regarded Bowling Green team 14-6. They dominated every aspect of the game as they played the best lacrosse seen in this area for several years.

# GOLF

The 1977 Denison University Varsity Golf Team eased into competition very slowly at the Marietta Invitational on a chilly Saturday during the first week of April. From this "cold" start, the team improved steadily, including a second place finish in a 13 team field in the Denison Invitational. This year's team includes several promising freshmen. One of these, Mike Hooper, averaged 77 strokes for each competitive round and finished with the best individual score in the Ohio Athletic Conference Tournament. Following this achievement, he was selected to play in the NCAA Championship Tournament. The team is looking forward to an even more successful season next year.

# WOMEN'S TENNIS

The 1977 Denison Women's Tennis Team ended a successful season with an impressive third place finish in the state tournament behind Ohio State and Bowling Green. Particularly satisfying for the team, and especially for graduating co-captains Emily Barrett and Pam Louis, was a victory over Wittenberg University. Denison has fielded a top quality tennis team for many years and the prospects of continuing this tradition are even brighter for next year.

Except for Ohio State the team was victorious in all its matches in the '76-77' season, defeating Kenyon, Capital, Kent State, Ashland, Ohio Wesleyan, Otterbein, Wooster and Wittenberg.

# WOMEN'S LACROSSE

The 1977 women's varsity team consists of twelve of the most talented players in Ohio. Their record strongly supports their success. In 8 regular season games, the team scored 103 goals as opposed to 34 goals for the opponents. Quickness and sharp passing were two of the team's strongest points in addition to excellent teamwork from the goalkeeper to first home. Graduating from the squad are three of the finest women lacrosse players ever to come to Denison University: Jean Palmer, left defense wing; Kerry Rorer, center; and Nancy Force, right defense wing.

With a final record of 9-3, the Big Red Hockey Team enjoyed its finest season in recent years. After two opening losses to the University of Cincinnati, the team reeled off two victories apiece over Carnegie-Mellon University and Kenyon College, and single victories over Ohio Wesleyan, Slippery Rock, the Toldeo Junior Blades, the Columbus Ice Hawks and Oberlin College. The only other loss came at the hands of Miami University. Despite the 30 minute drive to home games, fan support was tremendous once again.

## OLD GOLD WEEKEND

# WINGLESS ANGELS

TREZ

SENIORS

And so goodbye  
    (so ready to leave  
        and yet to stay)  
We have made our corners here,  
    Now we must find ways to fill them,  
        pockets stitched from this scrap of time  
        mouth questions  
        still open.  
Laughter,  
    Regrets,  
        a last cheer  
            caught in our eyes,  
And if you ask  
    the shape of our road,  
        we can say it is as  
            sharp  
            and hopeful  
        as the summer thunder.

## On the Road

The Scarecrow points us each a different direction.  
 You tell me rainbows fade,  
 Gold turns to yellow painted brick.

We have lost the three-step harmony of our dreams.

Kiss me once for courage  
 (heart and mind war at goodbye)

I will meet you  
 At the doorstep of the city.

It took our small staff many long hours to finish this book, and we encountered seemingly endless barriers which were somehow overcome or evaded. Now, on behalf of all those who gave both mental and physical support to this yearbook and all the memories it will hold for the future, we present  
 the 1977 ADYTUM.
